

Do Good. Feel good.

You're invited to a very special evening.

On October 28th from 3:00 pm to 7:00 pm, L'Engage de la Mode is offering an opportunity to stay warm this winter and help the less fortunate to stay warm as well.

Bring in your previously enjoyed winter coat and we'll donate it to Women's Habitat and to reward you, we'll pay the taxes on your purchase of a new Linda Lundström winter coat. That's right, now you have the perfect opportunity not only to feel good, you'll be doing good at the same time.

Don't need a coat? Drop by and donate your gently used winter coat and we'll pass it on to the Women's Habitat. Light refreshments will be served. Ummm.
